

HOW TO CREATE A POWER SCHOOL ACCOUNT

*Go to tishawks.org

*Click on Power School

*Click on Create an Account

*Parents enter their personal data, user name & password that they create

*Scroll down to Student Information

*Enter Student's name

*Enter Access User name which is the 6 digit lunch account number

*Enter Access Password which is the year child was born, month and day, i.e.: 20001015

*Enter Relationship which is "mother" for example from the drop down bar.

Repeat for each of your children in the district. Each child will have their own tab when parents sign-on to Power School.

Computer says congratulations and prompts the parent to sign on again.
