

Our School Community Council makes decisions that matter.

Dear Parents

We would like to welcome you to another great year at Tonaquint Intermediate School and invite you to join our Community Council. This advisory group is comprised of parents, teachers and administrators that provide guidance in the development of our school improvement plan and oversee the distribution of State Trust Land Funds. Members are nominated, elected and serve for two-year terms. The Council will meet several times each school year with the Principal and other elected school personal.

Why Participate?

Improved student success and wellbeing for ALL students

Engaged parent representation in decision making will allow for greater equity

A diverse pool of parent viewpoints helps bridge cultural gaps

Please contact the office if you would like more information about becoming one of our board members.

If you would like more information about Utah State Trust Lands please see www.schooltrustlandtrust.org

There is  to be spent at our school and YOU could decide how to spend it.
